Re: Case No. 22-11068 (JTD) – Valuation of FTT Tokens

Dear Judge Dorsey,

My name is Yuliia Honchar, an account holder and creditor in the above-referenced bankruptcy case of FTX Trading LTD., with the [REDACTED] at FTX.com. I am writing to express my grave concern and to contest the proposed valuation of FTT tokens at \$0.

On November 8th, amidst the unfolding crisis at FTX.COM, I was compelled to convert all my holdings from USD to FTT tokens, with the understanding that this would enable a quicker withdrawal process. This decision was made under distress and misinformation, and now, not only are my funds still inaccessible, but the proposed valuation also disregards the current trading value of FTT tokens, which is approximately \$3 on various cryptoexchanges.

The valuation at \$0 is not reflective of the market price and undermines the investments of many like myself. The funds in question represent my significant savings, and the outcome of this case profoundly affects my financial well-being.

I urgently implore you to consider a fair valuation of FTT tokens that recognizes their ongoing market presence and trading value. For many of us, these funds are not merely numbers on a balance sheet, but life-altering sums that have been entrusted to the FTX platform.

I place my trust in the bankruptcy process and in your judgment to uphold the principles of fairness and equity. I hope that my plea, along with those of many others in similar positions, will be heard and given due consideration.

Thank you for your time and understanding in this crucial matter.

Respectfully,

Yuliia Honchar
